INCREASED HOMESTEAD EXEMPTION; LOWER CAP ON INCREASES IN NON-HOMESTEAD PROPERTY ASSESSMENTS.—

Ballot Summary

This amendment increases the homestead exemption, for all non-school taxes, to $150,000 in 2027 and $250,000 in 2028, and adjusts for inflation thereafter. It requires the Legislature to prescribe a uniform procedure for counties and municipalities, for their respective levies, to increase the homestead exemption up to full assessed value, and allows special districts, subject to referendum approval, to do the same.

Persons who are not Florida residents on December 31, 2026, will receive the existing homestead exemption upon qualifying for a homestead exemption, with the increased homestead exemption beginning with the fifth year of exemption, to the extent permitted by the U.S. Constitution.

This amendment reduces the annual cap on assessment increases for non-homestead properties from 10% to 5%.

This amendment requires counties and municipalities to use property taxes solely for public safety, education and schools, infrastructure, natural resources, bond debt service, retirement benefits for employees, and operations and administration. Other expenditures may be approved by county officers or county or municipal governing bodies unless prohibited by general law, notwithstanding Article VII, Section 9(a) of the Florida Constitution, which allows counties and municipalities to levy property taxes for their respective purposes.

This amendment takes effect January 1, 2027.

(d) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to grant either or both of the following additional homestead tax exemptions:

(1) An exemption not exceeding fifty thousand dollars to a person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, who has attained age sixty-five, and whose household income, as defined by general law, does not exceed twenty thousand dollars; or

(2) An exemption equal to the assessed value of the property to a person who has the legal or equitable title to real estate with a just value less than two hundred and fifty thousand dollars, as determined in the first tax year that the owner applies and is eligible for the exemption, and who has maintained thereon the permanent residence of the owner for not less than twenty-five years, who has attained age sixty-five, and whose household income does not exceed the income limitation prescribed in paragraph (1).

The general law must allow counties and municipalities to grant these additional exemptions, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

(e)

(1) Each veteran who is age 65 or older who is partially or totally permanently disabled shall receive a discount from the he amount of the ad valorem tax otherwise owed on homestead property the veteran owns and resides in if the disability was combat related and the veteran was honorably discharged upon separation from military service. The discount shall be in a percentage equal to the percentage of the veteran's permanent, service-connected disability as determined by

the United States Department of Veterans Affairs. To qualify for the discount granted by this paragraph, an applicant must submit to the county property appraiser, by March 1, an official letter from the United States Department of Veterans Affairs stating the percentage of the veteran's service-connected disability and such evidence that reasonably identifies the disability as combat related and a copy of the veteran's honorable discharge. If the property appraiser denies the request for a discount, the appraiser must notify the applicant in writing of the reasons for the denial, and the veteran may reapply. The Legislature may, by general law, waive the annual application requirement in subsequent years.

(2) If a veteran who receives the discount described in paragraph (1) predeceases his or her spouse, and if, upon the death of the veteran, the surviving spouse holds the legal or beneficial title to the homestead property and permanently resides thereon, the discount carries over to the surviving spouse until he or she remarries or sells or otherwise disposes of the homestead property. If the surviving spouse sells or otherwise disposes of the property, a discount not to exceed the dollar amount granted from the most recent ad valorem tax roll may be transferred to the surviving spouse's new homestead property, if used as his or her permanent residence and he or she has not remarried.

(3) This subsection is self-executing and does not require implementing legislation.

(f) By general law and subject to conditions and limitations specified therein, the Legislature may provide ad valorem tax relief equal to the total amount or a portion of the ad valorem tax otherwise owed on homestead property to:

(1) The surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces.

(2) The surviving spouse of a first responder who died in the line of duty.

(3) A first responder who is totally and permanently disabled as a result of an injury or injuries sustained in the line of duty. Causal connection between a disability and service in the line of duty shall not be presumed but must be determined as provided by general law. For purposes of this paragraph, the term "disability" does not include a chronic condition or chronic disease, unless the injury sustained in the line of duty was the sole cause of the chronic condition or chronic

disease. As used in this subsection and as further defined by general law, the term "first responder" means a law enforcement officer, a correctional officer, a firefighter, an emergency medical technician, or a paramedic, and the term "in the line of duty" means arising out of and in the actual performance of duty required by employment as a first responder.

SECTION 9. Local taxes.—

(a)(1) Counties, school districts, and municipalities shall, and special districts may, be authorized by law to levy ad valorem taxes and may be authorized by general law to levy other taxes, for their respective purposes, except ad valorem taxes on intangible personal property and taxes prohibited by this constitution.

(2) Ad valorem taxes levied by counties and municipalities shall be used only to:

a. Provide for public safety, including law enforcement, fire service, and emergency medical service;

b. Provide funding for education and public schools;

c. Finance or refinance infrastructure, including expenditures on road and bridge construction and maintenance and stormwater control;

(b) Ad valorem taxes, exclusive of taxes levied for the payment of bonds and taxes levied for periods not longer than two years when authorized by vote of the electors who are the owners of freeholds therein not wholly exempt from taxation, shall not be levied in excess of the following millages upon the assessed value of real estate and tangible personal property: for all county purposes, ten mills; for all municipal purposes, ten mills; for all school purposes, ten mills; for water management purposes for the northwest portion of the state lying west of the line between ranges two and three east, 0.05 mill; for water management purposes for the remaining portions of the state, 1.0 mill;

and for all other special districts a millage authorized by law approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation. A county furnishing municipal services may, to the extent authorized by law, levy additional taxes within the limits fixed for municipal purposes.
